

Well, yesterday was certainly an eventful day. A number of wins, a number of loses and some draws, but most importantly what did you as a player get from the game.

Congratulations to all those that showed their skills and gamemanship and I hope everyone had a good day.

A couple of things need to be raised from the day:

- ❖ It was disappointing to notice the condition of the dress sheds when the teams had gone. The amount of tape and water bottles was disappointing. I am sure as a member of a family at home you would not be allowed to leave for mum and dad to pick up your tape and water bottle in a room and simply walk away. At these types of events whether it be football or another sport someone else has to clean up when you leave. How about everyone show some consideration to others and be mindful of what you are leaving behind. Even if you have to give a team mate a nudge to pick up their mess.
- ❖ There were a number of players walking around before and after their games wearing the Bundaberg Football dress shirt and thongs. I know for a fact that players were advised that they had to be in closed shoes. Bundaberg Football is wanting to present a professional presence when wearing the Bundaberg uniform and believe it also enhances the team morale to be a member of a well dressed and professional team. This will be brought to your attention if it occurs.
- ❖ Please note that **black dress shorts** are also required to be worn with the Bundaberg Football dress shirt and not boardshorts. Again this will be brought to your attention when it occurs.

I really don't like putting these types of reminders in the newsletters, but if there are numbers of players trying to buck the system, it then penalises those that are doing the right thing and the bulk of the players have been around the competitions long enough to know what is required.

A reminder to parents as to what the \$160 fee for 2007 covers:

- ❖ a training kit of a maroon shirt with a white strip under the arms, black shorts;
- ❖ a pair of playing socks that remain with the strip until the representative season is finished;
- ❖ transport to all the away games;
- ❖ the end of year function; and
- ❖ team photo.
- ❖ hat

Which brings me to advise that the under 11's were issued with their training uniforms to wear around on Sunday as they have not had an earlier opportunity to have Bundaberg Football dress shirts issued.

The other teams I believe have been issued with the training kits or they are available to be collected from Barb Roselt by the team manager.

Gayle does have a limited range of dress shirts available in adults medium and large sizes. The bags have arrived and are able to be paid for and collected. However the dress shirts and track suits are still on order and should be here shortly. I will endeavour to get a notice on the board when they arrive and are able to be collected and I am sure Barb would appreciate any assistance to get them together.

Unfortunately there has been a mix up by the supplier for the hats. We have been supplied large and extra large hats and none of the smaller sizes. Again they should be here shortly.

For those parents that have made payment schedules, please continue to make payments as I really don't have the time and don't want to be chasing you for money. It is undoubtably uncomfortable for both parties if I have to ask for a payment.

Unfortunately the U18 boys were advised that their fees to compete have been waived. This is not the case and deposits or full payments will be required if any of the players are wanting to continue.

Under 18 teams are still considered junior teams that consist of Under 16, 17 & 18 players and it would be unfair to the other junior teams who have to pay the fees to compete and other junior teams who do not.

The results for Sunday are attached:

Again I need to reiterate that if anyone has any concerns, please approach the appropriate people, so that the correct information gets out there.

Thanks to the mums and dads that helped in the canteen, Daph said it flowed very smoothly and the day went well. These types of events don't function without your support.

I believe it was a good day overall (I had fun and was kept very busy) and everyone is to be commended and that includes the mums and dads. Well done everyone and keep up the good work and great support for our kids.

The referees also need to be mentioned, as it must be extremely hard to keep an eye on 22 players & 2 other referees on the field, coaches, the mums, dads, nanas and pops happy on the sidelines. And we must remember a lot of them are someone else's child and need our support.

Thank you to Brian and Helen Wright who went around and collected bags of the rubbish that was lying around from Saturday.

regards
Sue
