

Last Sunday was a pleasant day and I hope all mums had a great Mothers Day and the family spoilt you.

Congratulations again to all those that showed their skills and gamemanship and I hope everyone had a good day.

A couple of things need to be raised from the day:

- ❖ There were still a number of players that had to be reminded to tuck in their dress shirts while walking around the facility.
- ❖ Please note that **black dress shorts** are also required to be worn with the Bundaberg Football dress shirt and not boardshorts. Again this will be brought to your attention when it occurs.
- ❖ Closed in shoes only.

Unfortunately there are still some players in the older age groups that continue to flaunt these requests and may be facing suspension for a game as a result. Remember for every action there is a reaction/consequence.

A reminder to those parents who have not paid the \$160 in full to continue making payments. This fee needs to be cleared by the end of the representative season. If you believe you may not be able to meet this deadline, please come and see me.

For those parents that have made payment schedules, please continue to make payments as I really don't have the time and don't want to be chasing you for money. It is undoubtably uncomfortable for both parties if I have to ask for a payment.

For the U18 boys I am still chasing a copy of the resolution regarding their fees. I am asking those parents that have paid to be patient and I will have advice to them as soon as I know.

Because of a hiccup with the bus company I am unable to advise of departure times for the teams. Please bear with me and I will endeavour to have something organise in the next couple of days and on the noticeboard for Saturday.

The results for Sunday are attached:

As per the note under "Players – All Divisions Junior & Senior" in the Representative Handbook and point seven on the Acceptance/Agreement for the Representative Squad all "Alternate Transport Forms" are to be in to me no later than Thursday, 24 May 2007. No forms will be accepted after that time and in particular on the Sunday without prior advice to me.

It has been brought to my attention that the bus behaviour of a number of players from a range of teams was unacceptable. The players need to realise that the buses are to be looked after. If they are not, the company has every right to refuse the association access to this service or refuse to transport those teams.

Back chat to the coaches/manager is unacceptable and the players are to be reminded that these parents are doing this role voluntarily and any request they may have, needs to be carried out.

Swearing is also not going to be tolerated and any player caught swearing and disregarding any request to cease, will have their name taken and suspended for a game.

My question to the players is, do you mistreat your mum and dads car, do you put gum on someone else's clothing, do you swear in mum and dads presence. If not, why do in the company of other squad players and parents.

Something to think about.

regards
Sue
